

Panhandle Library Access Network
Five Year Plan – Fiscal Years 2017/2018 through 2021/2022

Vision: PLAN is a vital and innovative library network that enables its members to deliver the highest quality services and programs to their communities throughout the Florida Panhandle. It provides a collaborative platform for members to share information, resources, and expertise. PLAN members are engaged, active participants and contributors. PLAN works with other organizations and cooperatives to share resources and to ensure that all Floridians have access to the information and resources they need.

Mission: PLAN, a membership network of libraries and other information organizations, collaborates with many partners to provide leadership to improve access to information and to enable its members to address the region’s needs for education, economic development and improved quality of life.		2017/2018	2018/2019	2019/2020	2020/2021	2021/2022
