A GUIDED LEARNING TABLET

## Create confident readers — one reading level at a time.

This 5-level guided reading system helps kids master verbal, reading, and writing skills — starting at any level. Every app, storybook, and video has been hand-selected to help kids gain the knowledge they need to transition from learning-to-read to reading-to-learn.

### 5-level guided reading system.

Reading Academy makes it easy for kids to jump in at their current reading level and advance from there. Parents and teachers can evaluate current skills, choose a Reading Academy Launchpad at that level, and watch kids master those skills and more.

### Multi-sensory learning tools.

#### Apps

Gamified learning tools reward kids for mastering critical skills from letter recognition to complex spelling and comprehension.

#### Storybooks

Seeing and hearing words at the same time increases retention, comprehension, and vocabulary, while teaching kids to read out loud with expression.

#### Videos

By adding a contextual element to the learning process, videos can help kids make a deeper connection with language.

# Educational content you can trust.

The Reading Academy experience has been curated by educational app experts and includes well-loved and award-winning brands that will keep kids engaged and excited to learn.
